December 21, 2018

Dear family and friends,

**MERRY CHRISTMAS!** We want to thank you for your prayers and support in 2018. We have had a very busy and fruitful year.

### **CHURCH PLANTING & EVANGELISM**

Our church plant, Bethel Assembly of God in Abidjan, continues to grow monthly. We have added an area for our children and are now **praying for land to place a tabernacle in 2019**. We are out of room! Tim has also held over 25 revival and evangelism meetings with other churches across the nation since September.

### **OUTREACH**

We enjoyed hosting **Dr. Marshall N'Guessan** from Harvest AG in El Paso in September and appreciate his medical outreach in Abidjan – Koumassi. Hundreds of people received medical treatment and the love of God. We also were able to contribute medicine and medical supplies to this clinic from last year's outreach with the team from Carthage, MO. **Pray for the development of long-term medical projects to reach people with the love of Christ.**

### **TEACHING**

We appreciate the teaching that **Dr. Carl Chrisner** provided to pastors and church leaders in September. Tim and Dr. Carl taught on the Holy Spirit at the AG headquarters in Abidjan and were joined by Missionary Brent Teague for a seminar on the Holy Spirit in the Western town of Danane. **Pray for a move of the Holy Spirit to help heal this divided country.**

- Tim launched Local Training Church Institutes through the Global University National Office from October to December.
- There are now over 400 church leaders in 3 regions (Daloa, Tiasalle, and Abidjan – Center) engaged in training. Tim is teaching in these centers and training several pastors to provide ongoing training.
- We are scheduled to launch three more regional training centers (Abidjan – East, Danane, and Boundiali) in January.
- **Pray for an army of trained church leaders** to support the National Church vision to plant 5,000 churches in the next 7 years.

*Thank you, North Texas District Men's Ministry, for the Light for the Lost funds that have made this launch possible!*

- Tim taught Christology to over 60 student pastors at the **Bible Institute in Daloa** as we continue to support training of ministers to fill new church plants across the country.
- Pray for much needed resources in our 4 institute libraries.
- Thank you to all of you who contributed on GoFundMe to the project Kristy launched for the Daloa Bible Institute.

## **FAMILY**

We have enjoyed having our daughter Sarah with us this year as she is taking a year to travel, study, and minister before her final year at Missouri State University. Tim and Sarah recently welcomed a building team from Oklahoma while **taking some time to enjoy the beach** (photo right!).

Tim had also just spoken for 3 nights in the neighboring town of Mossou during a week of revival meetings.

*First day of school - August 2018*

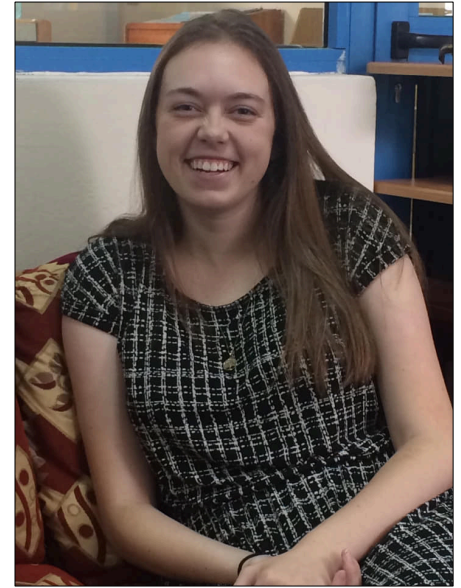

**Kristy now serves as the Head Librarian for the International Community School of Abidjan.** This is an answer to prayer as our children can now be enrolled in the only accredited American school in Cote d'Ivoire. All three are thriving. Kristy has made amazing connections in the community, and Luke and Lillian are doing great academically, making new friends, and learning French.

*Kristy and Tim at the Pastorale in Yamoussoukro - August 2018*
